

The Crystals Associated To Barsotti-Tate Groups: With Applications To Abelian Schemes

by William Messing

Publication » The crystals associated to Barsotti-Tate groups : with applications to Abelian Schemes / W. Messing. Encyclopaedia of Mathematics: Monge — Ampère Equation — Rings and . - Google Books Result The Crystals Associated to Barsotti-Tate Groups with Applications to . Download The Crystals Associated to Barsotti-Tate Groups with . Basics on group schemes, abelian varieties, p -divisible groups . Messing, The Crystals Associated to Barsotti-Tate Groups: with Applications to Abelian Encyclopaedia of Mathematics: Orbit - Rayleigh Equation - Google Books Result Sep 17, 2015 . The crystals associated to Barsotti-Tate groups: with applications to Abelian schemes. Author(s): Messing, William. Imprint: Berlin, New York The Crystals Associated to Barsotti-Tate Groups: With Applications . Moduli of Curves and Abelian Varieties: The Dutch Intercity . - Google Books Result

18.787. Topics in Number Theory (Fall 2012) The crystals associated to Barsotti-Tate groups : with applications to abelian schemes . The relation between Barsotti-Tate and formal Lie groups . . 23. II.1. The Crystals Associated to Barsotti-Tate Groups: With Applications . p -divisible group in n Lab Homomorphisms of Barsotti-Tate groups and crystals in positive . The Crystals Associated to Barsotti-Tate Groups: With Applications to Abelian Schemes. The crystals associated to Barsotti-Tate groups: with applications to . The Crystals Associated to Barsotti-Tate Groups: With Applications to Abelian Schemes Taschenbuch – 1. Januar 1972. von Ed. William Messing/A.Dold (Autor). Elliptic curves and formal groups nilpotent ideal sheaf in OS) and let A_0 be an Abelian scheme over S_0 . In general a p -divisible (or Barsotti-Tate) group over a scheme S is an inductive .. [Me] W. Messing, The crystals associated to Barsotti-Tate groups: with applications to. Vasu : A purity theorem for Abelian schemes - Project Euclid The Crystals Associated to Barsotti-Tate Groups: With Applications to Abelian Schemes, Issue 264. Front Cover. William Messing. Springer-Verlag, 1972 Forschungsseminar p -divisible Groups and crystalline Dieudonné . The Crystals Associated to Barsotti-Tate Groups: with Applications to . . The crystals associated to Barsotti-Tate groups: with applications to abelian schemes. Lecture Notes in Mathematics, Vol. 264. Springer-Verlag, Berlin-New Lecture Notes in Feb 15, 2014 . GO The Crystals Associated to Barsotti-Tate Groups with Applications to Abelian Schemes Author: William MessingType: eBookLanguage: Higher-level canonical subgroups in abelian varieties Grothendieck (1971) defined a Barsotti-Tate group G over a scheme S to be a fppf . The crystals associated to Barsotti-Tate groups: with applications to abelian The Crystals Associated to Barsotti-Tate Groups: With Applications . The Crystals Associated to Barsotti-Tate Groups. With Applications to Abelian Schemes. Authors: Messing, William. Buy this book. eBook \$29.99. price for USA The Crystals Associated to Barsotti-Tate Groups - With William . Detailed contents N.Katz. p -adic properties of modular schemes and modular forms. Proc. The crystals associated to Barsotti-Tate groups: with applications to abelian schemes. to questions concerning abelian schemes, and we can use the theory to . [11] W. Messing, The crystals associated to Barsotti-Tate groups: with applications. Potentially good reduction of Barsotti-Tate groups The Crystals Associated to Barsotti-Tate Groups: With Applications to Abelian Schemes (Lecture Notes in Mathematics) [William Messing] on Amazon.com. Geometry of the Siegel modular threefold with paramodular level . Download The Crystals Associated to Barsotti-Tate Groups with Applications to Abelian Schemes Book. Moduli of Abelian Varieties - Google Books Result May 1, 2015 . Messing, William (1972), The crystals associated to Barsotti-Tate groups: with applications to abelian schemes, Lecture Notes in Mathematics, Barsotti-Tate group - Wikipedia, the free encyclopedia The Crystals Associated to Barsotti-Tate Groups: with Applications to Abelian Schemes. ISBN: 978-3-540-05840-3 (Print) 978-3-540-37475-6 (Online) Barsotti Symposium in Algebraic Geometry: Perspectives in Mathematics - Google Books Result 136, p -adic properties of modular schemes and modular forms - Katz - 1973 . 85, The crystals associated to Barsotti-Tate groups: with applications to abelian The crystals associated to Barsotti-Tate groups : with applications to . William Messing, The crystals associated to Barsotti-Tate groups: with applications to abelian schemes, Lecture Notes in Mathematics, Vol. 264, Springer-Verlag Barsotti-Tate Groups and Crystals J. de Jong, Homomorphisms of Barsotti-Tate groups and crystals in positive crystals associated to Barsotti-Tate groups, with applications to abelian schemes, p -adic Modular Forms and Dieudonné Crystals in Stable Homotopy . The crystals associated to Barsotti-Tate groups: with applications to Abelian schemes. Author/Creator: Messing, William. Language: English. Imprint: Berlin, New The crystals associated to Barsotti-Tate groups: - Caltech Chapter IV. The Crystals Associated to Barsotti-Tate Groups. . .112. Chapter V. The Deformation Theory and Applications.150. Appendix. of a proper smooth scheme which is defined over a perfect field of characteristic 1:. Since we Returning to the situation where A is an abelian variety over a (perfect) field of The Crystals Associated to Barsotti-Tate Groups . - Google Books May 5, 1972 . The Crystals Associated to Barsotti-Tate Groups: With Applications to Abelian Schemes. Front Cover. William Messing. Springer Berlin Complex Multiplication and Lifting Problems: - Google Books Result
