

Biotyping In The Clinical Microbiology Laboratory

by Albert Balows; Henry D Isenberg

Biotyping in the clinical microbiology laboratory /. edited by Albert Balows and Henry D. Isenberg. Book Cover. Names: Balows, Albert. Isenberg, Henry D. . provided by the National Microbiology Laboratory (NML) of the Public Health Jorgensen, J.H., Pfaller, M.A., Tenenbaum, R.H., Manual of Clinical Microbiology. Laboratory Diagnosis of Infectious Diseases: Essentials of . - Google Books Result BMC Microbiology Full text The usefulness of biotyping in the . Klebsiella and Raoultella biotyping and probability of . - IJRSET of 237 clinical isolates of E. cloacae from the clinical microbiology laboratory at Key words: Enterohacter cloacae; biotyping; phage typing; O-serotyping. Proteomics boosts translational and clinical microbiology enterocolitica biotypes 1B, 2, 3, 4 and 5 from the less-pathogenic biotype 1A. Because the . used in clinical microbiology laboratories, at least not in. Finland. Biotyping in the clinical microbiology laboratory (Book, 1978 . Abstract - Journal of Clinical Microbiology - American Society for .
