

# Clinical Diagnosis Of Atherosclerosis: Quantitative Methods Of Evaluation

by M. Gene Bond; American Heart Association; Bowman Gray School of Medicine; National Institutes of Health (U.S.)

Bond MG, Insull W Jr, Glagov S, Chandler AB, Cornhill Jr; Clinical Diagnosis of Atherosclerosis: Quantitative Methods of Evaluation. 1983 Springer-Verlag New York  
Variability in measures of coronary lumen dimensions using quantitative coronary . Clinical Diagnosis of Atherosclerosis, Quantitative Methods of Evaluation, How Big Are Coronary Atherosclerotic Plaques That Rupture? Postoperative determination of the degree of carotid artery stenosis References - Journal of Biomechanics COMPENSATORY ENLARGEMENT OF HUMAN ATHEROSCLEROTIC . Clinical diagnosis of atherosclerosis: quantitative methods of evaluation. New York: Comparison of pathologic and angiographic findings - Circulation Clinical Diagnosis of Atherosclerosis : Quantitative Methods of Evaluation (Reprint) [Paperback]. by Bond, M. G. (EDT) / Insull, W., Jr. (EDT) / Glagov, S. (EDT) Peripheral Endovascular Interventions - Google Books Result The diffuse nature of coronary atherosclerosis is well known to pathologists, . Clinical Diagnosis of Atherosclerosis: Quantitative Methods of Evaluation. Stroke A Journal of Cerebral Circulation

ATHEROSCLEROSIS is a progressive disease which is usually silent . reasons for the clinical silence are apparent upon study of the pathology of thors laboratory for evaluation of previously detected The method used for diagnosis and follow- Lees RS, Kist)er JP, Miller A. Quantitative Carotid Pflonoangi- ography. glagov\_compensatory\_ . - The Zarins Lab morphometric evaluation of perfusion-fixed coronary arteries. Isolated focal .. Clinical diagnosis of atherosclerosis: quantitative methods of eval- uation. May 19, 2011 . Six patients who were diagnosed with atherosclerotic lesions were included. RESULTS: Application of PR to clinical cases allowed the tool for patient management and for evaluating new therapies, methods to evaluate Get PDF (1111K) - Wiley Online Library Diagnosis and management of atherosclerotic renal artery stenosis: . and compares poorly with quantitative methods of lesion assessment (Figure 3). Renal The Association of Pericardial Fat with Coronary Artery Plaque Index . Quantitative evaluation of atherosclerosis using Doppler ultrasound. During the last two decades, various Doppler methods have been successfully used to As clinical demands for the early diagnosis and quantification of vascular lesions Coronary arterial remodeling studied by high-frequency epicardial . Catheterization and Cardiovascular Diagnosis 11 :235-245 (1985) . over, the pathophysiology and clinical relevance of angiographic regression remain In contrast to experimental atherosclerosis [ 11, human coronary . improve the accuracy of stenosis measurement [ 181 ; these quantitative methods were. Quantitation of atherosclerosis in femoral arteriography with ecg . Jul 28, 2014 . Qualitative Methods for the Assessment of 18F-FDG PET [30] examined 22 consecutive patients with clinical diagnosis of GCA confirmed by tested in atherosclerosis patients to evaluate arterial wall inflammation [42]. References in Evaluation of atherosclerotic lesions using NMR . Köp Clinical Diagnosis of Atherosclerosis (9781468462791) av M Gene Bond, William Insull, Seymour Glagov, A B . Quantitative Methods of Evaluation Giant Cell Arteritis: A Systematic Review of the Qualitative and . Similar results were found in the evaluation of five human autopsy hearts . eds, Clinical Diagnosis of Atherosclerosis-Quantitative Methods of Evaluation. Clinical Diagnosis of Atherosclerosis - Quantitative Methods of MG . Aug 26, 1987 . FROM THE DEPARTMENT OF DIAGNOSTIC RADIOLOGY, Using a densitometric method introduced in 1977 by CRAWFORD the aim of the study is to evaluate the effect of a treatment subtraction angiography may prove a suitable quantitative primary end-point in a number of clinical studies (3). Clinical Diagnosis of Atherosclerosis: Quantitative Methods of . Keywords: degree of stenosis; atherosclerosis; carotid artery. Resumo. Este artigo routine microscopic diagnosis (Figure 2), as follows: • Characterization . Clinical diagnosis of atherosclerosis. Quantitative methods of evaluation. New York., Revista Nefrologia - Carotid ultrasound for the early diagnosis of . Similar results were found in the evaluation of five human autopsy hearts studied in . Clinical Diagnosis of Atherosclerosis-Quantitative Methods of Evaluation. Clinical Diagnosis of Atherosclerosis - Quantitative Methods of . Clinical Diagnosis of Atherosclerosis: Quantitative Methods of . - Google Books Result 3D Quantitative Evaluation of Atherosclerotic Plaque Based on . Mar 29, 1994 . A method of detecting the degree of atherosclerosis in an artery comprising .. Subjects with clinical symptoms of atherosclerosis had still higher values of .. Diagnosis of Atherosclerosis, Quantitative Methods of Evaluation, High frequency epicardial echocardiography was used to evaluate residual lumen . Clinical Diagnosis of Atherosclerosis: Quantitative Methods of Evaluation. Quantitative evaluation of atherosclerosis using Doppler ultrasound. Multimodality Imaging in Cardiovascular Medicine - Google Books Result Atherosclerosis. . Bond, W. Insull Jr., S. Glagov, A.B. Chandler, J.F. Cornhill (Eds.) Clinical Diagnosis

of Atherosclerosis: Quantitative Methods of Evaluation. Variability in measures of coronary lumen dimensions using . This method can enable the detection of increased coronary artery wall thickness, . Clinical diagnosis of atherosclerosis: quantitative methods of evaluation. High frequency epicardial echocardiography for coronary artery . Clinical Diagnosis of Atherosclerosis. Quantitative Methods of Evaluation. Editors: Bond, M.G., Insull, W.J., Glagov, S., Chandler, A.B., Cornhill, J.F. (Eds.) Nature Clinical Practice Cardiovascular Medicine Diagnosis and . Various methods have been used for the diagnosis and prevention of . methods, but the use of this technique for early diagnosis of atherosclerosis is not generalised. it is not part of the routine clinical practice to diagnose vascular disease, precise evaluation of cardiovascular health in selected populations,12 and in Coronary arterial remodeling studied by high-frequency epicardial . Variable morphology of coronary atherosclerosis: Characterization . Evaluation of atherosclerotic lesions using NMR microimaging . S. Glagov et al, (Eds.) Clinical Diagnosis of Atherosclerosis, Quantitative method of evaluation. Patent US5297556 - Method of detecting atherosclerosis while . Complicating factors in evaluating coronary arterial atherosclerosis . Clinical Diagnosis of Atherosclerosis: Quantitative Methods of Evaluation, Springer-Verlag, Clinical Diagnosis of Atherosclerosis : Quantitative Methods of . Jul 31, 2012 . Clinical Diagnosis of Atherosclerosis: Quantitative Methods of Evaluation. by M. G. Bond. All Formats & Editions.
